SAMPLE LETTER

(date)

The Honorable _____
United States House of Representatives
Washington, D.C. 20515

RE: MY STRONG SUPPORT FOR SWIFT ACTION ON THE ECONOMIC STIMULUS PACKAGE IN RESPONSE TO COVID-19 PANDEMIC;WE MUST CONTINUE TO HELP ALL AME

Dear Representative _____;

As your constituent, I strongly urge you to support the swift passage and enactment of the latest response to the economic consequences of the coronavirus pandemic. Specifically, I urge you to support passage of the economic stimulus package as it passed the Senate last night, un-amended and by voice vote, so that it can be presented to the President for his signature as soon as possible. While this is a good beginning, much more needs to be done.

The Federal government must do all it can to ensure the well-being of all the American people. The bipartisan, bicameral hard work that went into the legislation before you on Friday demonstrates that our Nation can come together in a time of crisis, yet it is clear that this is only a down-payment. We must continue to work together.

We need to make sure that no Americans suffer disproportionately from this health emergency. COVID-19 does not discriminate; nor should our response. Included in future legislation, we need to see more funding for election reform and security, stopping the virus' spread in prisons and prison reform, additional funding for food assistance, and additional help for early childhood caregivers.

We must use this crisis to demonstrate to heretofore underserved, under-resourced, and marginalized communities that the U.S. government cares, and that they are not forgotten. I look forward to continuing to work with you to ensure that our specific recommendations are included in a second, soon-to-be-drafted, economic stimulus package which will help all Americans. I look forward to working with you to see that issues facing all Americans are resolved.

Sincerely,

(sign and print your name and remember to include your address)
